KT80 Symposium

The Kindertransport 80 Years On

JAMES BULGIN

*Content Leader Holocaust Galleries
Imperial War Museums*

James Bulgin will give an interactive talk about the new Holocaust exhibition being created at the Imperial War Museum to replace the current display first launched in 2000.

He will discuss the preparations and research underway to realise a new and innovative approach to the Holocaust, and explain how the Museum changed its thematic approach.

James will include a discussion about the ways the Kindertransport fits into the new exhibition.
